Name of the project:
I'll Go
Group 15
Evaluation by Micheal Willard

Name of group member: Adina Edwards
Participation in group meetings: 10
Timeliness in deliverable: 10
Giving feedback: 10
Total point: __10_ out of 10
Comments(If any):
On top of equal participation in pair programming, she handled a large amount of the test writing and participated greatly in writing the report.

Name of group member: Corey Savage
Participation in group meetings: 10
Timeliness in deliverable: 10
Giving feedback: 10
Total point: _10__ out of 10
Comments(If any):
On top of equal participation in pair programming, he handled most of the SQL authoring and design and helped debug during deployment of the code.

Name of group member: Michael Bonney
Participation in group meetings: 9
Timeliness in deliverable: 9
Giving feedback: 10
Total point: _9__ out of 10
Comments(If any):
On top of equal participation in pair programming, he handled all the web serving actions and helped debug during deployment of the code.

Name of group member: Brian Wiltse
Participation in group meetings: 10
Timeliness in deliverable: 10
Giving feedback: 10
